EDUCATION

Full Stack Web Development
Masai School, Bengaluru
July 2023 - April 2024

Bachelor of Computer Applications
Mahatma Gandhi University
July 2020 - May 2023

TECHNICAL SKILLS

Git | RESTful APIs | Express.js |
Node.js | JavaScript | CSS3 | HTML5

SOFT SKILLS

Adaptability | Teamwork |
Attention to Detail |
Time Management |
Effective Communication |
Problem Solving

Vishnu R

Node JS Developer

PROFESSIONAL SUMMARY

Results-driven Node.js Developer experienced in efficiently building web applications and APIs. Proficient in Node.js and Express.js, with a focus on collaborative problem-solving and performance optimization. Skilled in backend development and RESTful APIs, with a strong understanding of software development principles. Proactive and self-motivated, constantly staying updated with emerging technologies to deliver innovative solutions. Excellent teamwork and communication abilities, ensuring seamless collaboration with cross-functional teams.

PROJECTS

- 1. Quezzo - Gamified Quiz Application** | 🌐 | 📱
Node.js | MongoDB | JavaScript | Git | Express.js | HTML5 | CSS3 | Responsive Web Design | RESTful APIs
 - Architected user authentication system employing bcrypt for password security and JWT for token-based authentication, ensuring robust user data protection.
 - Designed and implemented a comprehensive quiz management system enabling users to create, manage, and take quizzes with real-time feedback, enhancing user engagement.
 - Developed result tracking and analysis functionality allowing users to access detailed performance insights, facilitating continuous learning and improvement.
 - Enhanced user experience with a gamified approach by introducing medals and achievements, alongside a ranking leaderboard to recognize and motivate top performers.
- 2. BayLeaf - E-commerce Platform** | 🌐 | 📱
PHP | JavaScript | HTML5 | CSS3 | SQL
 - Crafted a responsive e-commerce platform for indoor plants, ensuring seamless transactions and a user-centric experience.
 - Led a team of 5 to develop a comprehensive e-commerce website focused on indoor plants.
 - Implemented server-side logic with PHP to manage customer data, orders, and payments.
 - Designed and maintained the MySQL database for efficient data storage and retrieval.
 - Ensured secure transactions by validating customer sessions and implementing security measures.
